TERMS & CONDITIONS

Estimate & Scope

This estimate is based on the scope of work described above and is valid for 30 days unless otherwise stated. Work outside the stated scope, including customer-requested changes or unforeseen conditions, may require additional charges and approval.

Pricing & Materials

Pricing is based on currently available labor, materials, and supplier costs. Material selections, quantities, or pricing may change if the scope changes or specified materials become unavailable.

Payment

Payments are due according to the payment schedule shown on the estimate or invoice. Past-due balances may be subject to late fees where permitted by law.

Changes & Additional Work

Changes to the approved scope may affect the project price and schedule. Additional work will be billed separately unless otherwise agreed in writing.

Scheduling & Delays

Project dates are estimates and may change due to weather, material availability, inspections, customer-requested changes, site conditions, or other circumstances outside the contractor's reasonable control.

Site Conditions

The customer is responsible for providing reasonable access to the work area. Hidden or unforeseen conditions discovered after work begins may result in additional costs or schedule changes.

Acceptance

Approval or signature of this estimate authorizes the described work and indicates acceptance of these terms and conditions. Payment of an invoice constitutes acceptance of the charges shown unless disputed promptly in writing.

Warranty & Liability

Any applicable workmanship or product warranties will be provided separately or as required by law. Manufacturer warranties are subject to the manufacturer's terms.

Permits & Compliance

Responsibility for permits, inspections, licenses, or approvals will be as stated in the scope of work and subject to applicable local requirements.
